**FIRST
ANNOUNCEMENT**

WHERE NEW IDEAS MEET SCIENCE AND RESPONSIBILITY

Welcome Message

On behalf of the Organising Committee, it gives us immense pleasure to welcome you to the **9th Annual Conference of the Kerala Chapter of the Indian Society for Assisted Reproduction (ISAR)**.

This year's scientific programme is built around the theme **"Innovation, Evidence and Ethics in ART"**, reflecting our commitment to advancing reproductive medicine with scientific rigor, surgical precision, and ethical responsibility.

The conference opens with three focused **pre-conference workshops**:

- Clinical ART 2025: Evidence, Innovation and Practical Pearls– practical protocols and decision-making for everyday IVF practice.
- From Gamete to Genome: Clinical Embryology Workshop– innovations and quality measures inside the IVF laboratory.
- Endoscopy for Fertility: See More, Do More – in collaboration with the **IAGE Kerala Chapter**, highlighting minimally invasive techniques that improve reproductive outcomes.

Together, these workshops will provide **intensive training for juniors** and **cutting-edge updates for senior practitioners**, ensuring that every delegate finds practical value.

We extend a special welcome to our **Embryologists, Clinicians, and Gynecologists**, whose teamwork forms the foundation of successful ART. Their combined expertise transforms science into success stories for countless couples.

We look forward to your active participation, vibrant discussions, and exchange of ideas as we learn, share, and grow together in the pursuit of excellence in assisted reproduction.

Warm regards,
Organising Committee

About Host City – Kozhikode (Calicut)

Kozhikode (Calicut), the most important region of Malabar in yesteryears, was the capital of the powerful Zamorins and also a prominent trade and commerce center.

Kozhikode District found a place in the World History with the discovery of Sea Route to India in 1498 by the Portuguese Navigator Vasco Da Gama. Vasco Da Gama landed at the Kappad sea shore with three vessels and 170 men. A monument is constructed here to commemorate the historical landing.

Kozhikode city continues to be a centre of flourishing domestic and international trade. Its contribution to all round development of the district in trade, commerce and economic development over the years is spectacular.
