WHERE NEW IDEAS MEET SCIENCE AND RESPONSIBILITY

Invitation to Partner with All Kerala ISAR Conference 2025

Dear Colleagues,

It gives us great pleasure to invite you to partner with us for the **9th Annual Conference of the Kerala Chapter of the Indian Society for Assisted Reproduction (ISAR)**, built around the theme **“Innovation, Evidence and Ethics in ART.”**

This two-day scientific event has established itself as one of the most respected platforms in the field of Assisted Reproduction, bringing together leading IVF clinicians, embryologists, gynecologists, and allied specialists from across Kerala and beyond. The programme features three dedicated pre-conference workshops:

- **Clinical Reproductive Medicine**
- **Clinical Embryology**
- **Fertility Enhancing Endoscopic Surgery** (in collaboration with IAGE Kerala Chapter)

The conference offers an **unparalleled opportunity for industry partners** to showcase innovations, interact with decision-makers, and strengthen visibility among both young practitioners and senior leaders in reproductive medicine.

We believe that collaboration between clinicians, embryologists, and industry is essential to drive the next era of success in ART. Your support as a sponsor or exhibitor will not only highlight your commitment to advancing fertility care but also position your brand at the forefront of a rapidly growing field.

We warmly welcome you to join hands with us in making this conference a landmark academic and professional event.

Warm regards,
Organising Committee
